It has certainly been a different year - our normal show was cancelled due to Covid-19, but to keep the show spirit alive we have opted for an online show. We have designed a modified schedule but exhibitors can still show off their skills.

We encourage you to enter this year's show - entry is free and we will be awarding prize cards and ribbons for 1st, 2nd and 3rd place winners.

All you have to do is head to the SCHEDULE section of this website and view the details of each section and download the Entry Form. Then create your masterpiece and email photos back to us. On the 24th and 25th of October we will announce all the winners.

Unfortunately we will not be holding livestock events.

We look forward to receiving your entries - stay connected and we will see you all in 2021.

SECTIONS

SECTION U - ARTS & CRAFTS

SECTION Q - COOKERY

SECTION KS - KIDS SECTION

SECTION L - LEGO
